Task 4 – Professional Email & Etiquette Guide

Overview

This folder contains the work completed for **Task 4**, focusing on professional communication through email and responsible online behavior.

The objective of this task is to understand and apply **email etiquette** and promote **proper digital communication practices** among students.

Part A – Professional Emails

Email 1 – Assignment Extension Request

- Purpose: Requesting deadline extension from a professor
- Includes:
  - Clear subject line
  - Polite and respectful tone
  - Structured explanation and request

Email 2 – Internship Inquiry

- Purpose: Expressing interest in a summer internship
- Includes:
  - Formal introduction
  - Clear intent and interest
  - Professional closing

Part B – Social Media Checklist

Do’s and ❌ Don’ts

A checklist was created to guide students on responsible social media usage, including:

- Maintaining professionalism
- Protecting personal information
- Avoiding suspicious links and scams
- Communicating respectfully online

Purpose

This task helps in:

- Developing **professional communication skills**
- Understanding **formal email structure and tone**
- Promoting **safe and responsible digital behavior**

Learning Outcome

- Learned how to write clear, concise, and professional emails
- Understood the importance of tone, structure, and etiquette
- Gained awareness of responsible social media practices
